

VISION AND MISSION OF INSTITUTION

Vision:

- Grooming the professionals; who would carry forward the spirit of scientific thinking and serve as a valuable resource for industry and society.
- Empowering our students to fulfill their academic and professional passions that are diverse, welcoming, and inclusive for all students, faculty, and staff.
- Creating innovative connections among education, humanities, the social sciences, science etc.
- Strengthening support for a dynamic faculty dedicated to teaching, mentoring, and research.
- Relationship with the University and that expand our collective contributions to the world.
- To nurture global leaders with a strong sense of public responsibility and a pioneering spirit, possessing both deep specialism and broad knowledge.

Mission:

- Achieve academic excellence in professional education at par with the leading national and international institutions.
- Focus on practical aspects of the course material so as to make learning a meaningful and interesting experience in our intellectually stimulating campus.
- Create an environment with people having similar goals and aspirations to be visionaries.
- Actively encourage collaboration with industries, communities and the fellow institutions in the country.
- Work to inculcate high moral and ethical values amongst the students to make them responsible citizens and good human beings.
- To imbibe the winner's attitude necessary for achieving success.
- To transform the way people think and do things through education, research and service.
