Placement Cell

Introduction: - Placement Cell serves as a platform for stakeholders to meet out the aspiration of the young girl students. The Cell plays a key role in locating the job-oriented career opportunities for the final year undergraduate and postgraduate students by encouraging them to participate in several Placement-cum-Training Programmes. The cell organises regular aptitude/ technical training programmes to improve their soft skills. Moreover, it also conducts extension lectures for providing them the tips regarding time management, professional resume and CV writing etc. Furthermore, the placement cell holds various extension lectures by eminent resource person from different institutes. Through a series of workshops and personality building assignments, the placement cell strives to transform an average student to an extraordinary employee with excellent work ethics. The cell buckles down on remaining transparent, technologically driven and dynamic throughout the year. Besides conducting placement drives for the benefit of the student, the placement cell is also committed to honing their skills in the best possible manner.
