Subject: Information regarding NIRF Status

Ref: College Letter No. 1486 dated- 14/07/2025

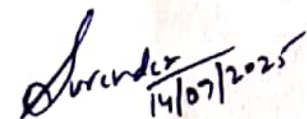

In compliance to the above subject and reference, the required information is as under:

This is to inform that our college does not currently hold a National Institutional Ranking Framework (NIRF) ranking as it has not yet applied for the same. The institution has been focusing on continuous quality improvement and has made significant progress in academic and administrative domains in recent years. We are pleased to share that the college was accredited with a Grade 'B' by the National Assessment and Accreditation Council (NAAC) in the year 2023, which remains valid for a period of five years, i.e., up to 2028. This accreditation reflects our commitment to maintaining and enhancing the standards of higher education.

At present, the college is actively working towards strengthening the required parameters as outlined in the NIRF framework. Several measures have been initiated to align our institutional functioning with the benchmarks set under NIRF. It is also informed that the college is planning to apply for NIRF Ranking in the current academic session after completing the necessary preparations. The institution looks forward to participating in the national ranking system and gaining recognition for its efforts in delivering quality education.

We remain committed to transparency, accountability, and academic excellence.

Thanks & Regards
