

Entrepreneurship Club of the College

The **Entrepreneurship Club** of the college is a student-oriented platform established to promote **entrepreneurship, innovation, creativity, leadership and self-employment** among students. The club encourages students to transform their ideas into practical business opportunities and develop the skills required to become successful entrepreneurs.

Objectives of the Entrepreneurship Club

- To develop an entrepreneurial mindset among students.
- To encourage innovative and creative business ideas.
- To provide awareness about **start-ups, entrepreneurship, business planning and funding opportunities**.
- To develop leadership, communication, teamwork and problem-solving skills.
- To provide students with opportunities to interact with successful entrepreneurs, industry experts and mentors.
- To encourage students to participate in **ideathons, business-plan competitions, workshops, seminars and start-up activities**.
- To create awareness about government schemes and support available for entrepreneurs.

Major Activities

The club may organise **entrepreneurship awareness programmes, workshops, guest lectures, business idea competitions, idea-generation sessions, start-up fairs, mentoring programmes and industrial visits**. Students can also be encouraged to present their innovative ideas and develop them into business plans.

Role of Students

Students are encouraged to actively participate in the activities of the club, share innovative ideas, form teams, attend entrepreneurship programmes and take part in competitions. The club provides them with a supportive environment to learn, experiment and develop their entrepreneurial potential.

Vision

The Entrepreneurship Club aims to create a **dynamic ecosystem of innovation and entrepreneurship** in the college and motivate students to become **job creators rather than only job seekers**.
