

Survey Report

Feedback plays a significant key role for holistic development of institution with analysis of appreciation and suggestions of the existing system. Keeping this view as a necessary requirement to enhance the growth of institution in every way pacing with modern times, the college takes feedback from students etc. The college authorities pay special attention and emphasis to fulfil all suggestions collected through feedback every year from the students.

During the session 2020-2021, feedback has been collected from students through fill up a Feedback Performa concerning to focal points i.e Academic content, Coverage of modern/ Advanced Topics, Coverage of syllabus in classroom, How do you rate the sequence of the subjects that you have studied?, How do you have rate the relevance of units in the syllabus relevant course?, How do you have rate the relevance of units in the course?, rate of the size of syllabus in tern of the load on the student, How do you rate the evaluation scheme designed for each of course?, How do you rate the courses that you have learnt in relation to your real life application, Availability of the text books/study materials, Industrial visit conducted, Usefulness of tests and assignments, Benefits you derived from the course. Brief summary about the feedback during the session 2020-2021 is as under.

The academic content which includes all kinds teaching-learning activities which is completed by using different kinds of techniques and ICT tools has been appreciably appreciated in responses of students. There has been a very good level of satisfaction about the regularity of classes and teachers take interest in answering the queries of students. There has been overall a very good response of appreciation of sequence of syllabus units and lesson plan of each class designed by teacher's concerned subject. The students have also responded in good level concerning to rate of the size of syllabus in tern of the load on the student, rate the courses that you have learnt in relation to your real life application, availability of the text books/study materials.

They are satisfied at excellent level with tests and assignments, benefits you derived from the course and conducted industrial visits of college students. In order to go ahead towards perfection level, there is always remained scope of improvement which can do through suggestions. There has been highly appreciable response to the commitment of Principal to the students not only in teaching-learning activities but also in sharing their personal

problems. In brief all key feedbacks have been incorporated in the IQAC suggestions to the Principal and all necessary steps have been initiated in this direction
